

Friends Of STF

OCT 2020

Thank You!

In 2019 after being dormant over the past few years Friends was Revitalized—Rejuvenated—Rebranded and Restarted!

Wanting to show appreciation and dedication to staff who tirelessly provide direct and indirect care to our residents. The organization has raised funds with your support of membership dues and help through various fundraisers, drawings and activities.

With everyone's help and support in our 1st year, we are excited to have given back over \$2,200.00 to employees in various ways.

2020 Officers

President: Amanda Pierce

Vice President: Cindy Hylton

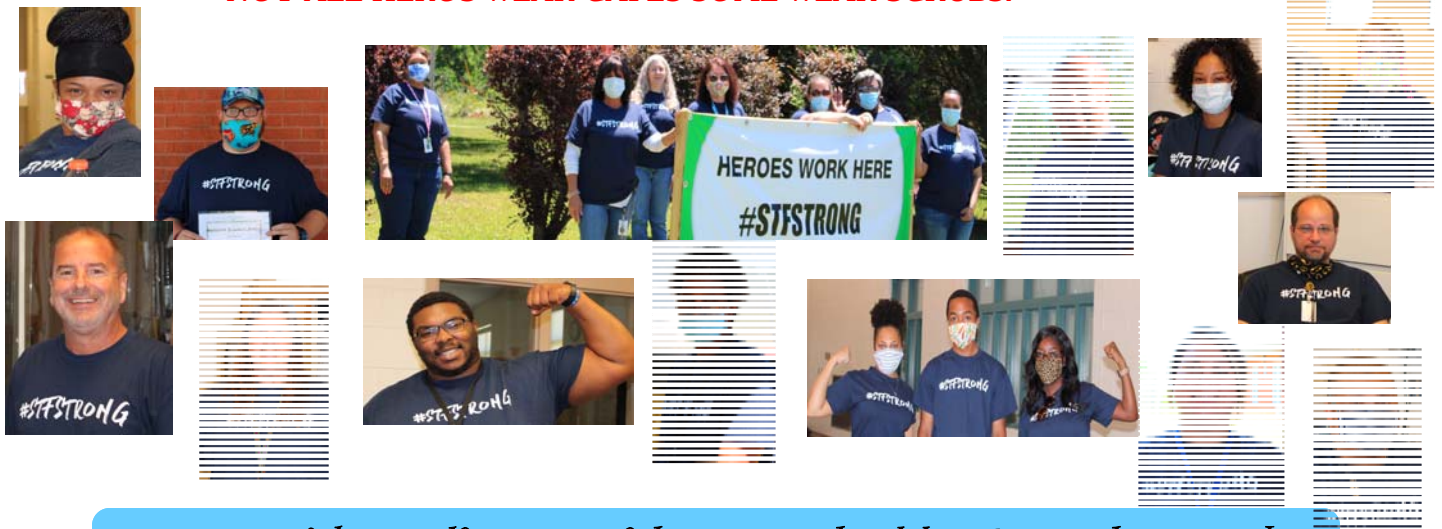

Treasurer: Dawn Clayton

Secretary: Shilda Lett

LIFE CHANGED AS WE KNEW IT!

In March 2020 when Covid-19 impacted our lives our world was faced in dealing with stress, anxiety, fears, uncertainty and overwhelming change. Everyone here at STF became a hero from the housekeepers, to the kitchen staff, the office personal but most important the hero's who take care of the residents day in and day out calming their fears and concerns, while dealing with their own. That's when we became #STFSTRONG. Thank you for all you do!

NOT ALL HEROS WEAR CAPES SOME WEAR SCRUBS!

Every job is a self-portrait of the person who did it. Autograph our work with excellence.

Please see any of the officers for any questions, comments or ideas.
